Gathered. Equipped. Sent.
Acts 2:42-47

Discussion Questions

1. In the areas of Scripture learning, hanging out with other believers, serving and prayer. Of those four—which would you say is the strongest area in your life? which is the weakest?
2. When you have experienced something at church that caused you to be in wonder or came away from the experience with a clear sense of the Holy Spirit was at work?
3. Considering what you own (gained stewardship of), such as a home, or place of residence, clothing, household items and material goods, vehicles, and other possessions, even the food in your fridge.

Two questions:

- How willing have you been in sharing these items with others around you, such as your neighbors, friends, other relative's, etc.?
 - What items have others commonly shared with you over the years?
4. What is the greatest need that is within proximity of your life? What have you done about that need in a tangible way?
 5. Who has God placed around you in your journey—think neighbors, relatives, workplace, school, interests, and hobbies—this is your oikos (household)? What steps are you taking to actively share and exhibit Christ to them on a consistent basis?
